List of Readon, 228 South Spring at, between Third and Fourist at Office hours from 3 to 59 m. The above treatment is expectable and indicated in indigation, rhematism and indigation, rhematism and indicated in indigation, rhematism and rhematism and rhematism and rhematism and respectively.

nation which Mr. Watterson considers would flow with the blood of the Presi-

lent when executed at the expiration of ffice may be briefly stated as follows:

secept office, Mr. Watterson replies that they little know the spirit of self-sacrifice which animates the bosom of the American citizen, tanght as he from copy-book days to mature man-hood that it is sweet to die for one's country. The article closes with ane-pression of the hope that the suggestion will be embodied in a constitutional ameadment before the adjournment of Congress. The Columbus Diepatch has just one suggestion—in which the Los Angeles Times concern with enthusiasm and energy—to add to this brilliant scheme of the discoverer and worshipper of the star-eyed goddess of Reform, and that is this: Make the suncessful candidate for the Presidency the exscutioner of all the unancessful annes. That one act of opening the gates of glory to those who had been outstripped in the race would be an inspiring influence to hold him ever to the right Lat his cyes catch a glimpse of glory as the victims why their coat-tails through the victims why the coat-tails through the victims why the coat-tails through the victims why the victims wh

hold him ever to the right Lat his

ives catch a glimpse of glory as the
victims whip their coat-tails through the
clossing gale, that they may be prepared
for the otherwise dazzing effulgence,
four years later, when he himself shall
stand within the closed portais.

Addison never naw The Milado, but
